Volleyball

The volleyball teams this year, while enjoying only moderate success, are expected to be strong next year due to the fact that they will only lose three seniors from this year's squad. With a strong freshman and sophomore team returning, Coach Stotka is looking for an exciting year to come. Also the freshman class of next year is expected to be tough. The most valuable player this year is Therese Kreiger, who also made 2nd. team league. The most improved player was Sally Stemple, while Debbie Zimmerman took the most inspirational player, and she also received honorable mention. 1. Shelly Church powers a spike over an opponent. 2. Therese Kreiger slams down a point against Toledo. 3. Debbie Zimmerman and Therese Kreiger block a spike. 4. Shelly Church spikes a point over Elmira. 5. Coach John Stotka calls a time out. 6. Working Stars

Fire Dept.

5 students, enrolled in this class this year, go down to the Depoe Bay Rural Fire Protection District each day. One of the purposes of the class is to stress the dangers and the correct way to deal with fire. They also go to our local grade schools to talk to the kids about fire safety. They stress to the kids the dangers of using matches without correct supervision. The class is under the direction of Depoe Bay Fire Chief Jay Williams.

Police Dept.

Students enrolled in this limited program experience law enforcement careers first hand. They work closely with the dispatcher and may have the opportunity to ride with officers. The purpose of the class is to prepare students for continued training and help them decide on law enforcement as a career.

Cadet Teaching

25 to 30 students are enrolled as cadet teachers. Most of them go to our local grade schools and junior high. One student works at a day care center. It gives them the experience of what it would be like to be a teacher. Many of them would like to become teachers themselves. The children seem to like the idea too.

A special thanks goes to Mr. Ticknor, Mrs. Leshner, and Jack Lovejoy. Mr. Ticknor and Mrs. Leshner are the two responsible for arranging these worth-while projects for the students. Jack Lovejoy did a great job, for he had to run the students all over town every day.

The students and all the faculty involved did a terrific job!

Business lab

a.

Business Lab and Office Center is designed to offer any student the opportunity to receive vocational office training under the Cluster Concept of Vocational and Career Education. Taft High School, since 1970, has offered vocational training in the Steno/Secretarial and Clerical Clusters. The programs stress training in skills, abilities, and attitudes that are common to a great many individual job titles. A few such programs a student could qualify for after completing one of the programs are; Clerk Typist, File Cler, Mail Clerk, Records Clerk, Payroll Clerk, Billing Clerk, Secretary, Office Machine Operator.

Cross Country Stars

The biggest problem was injury and sickness to key people which made it hard to get a full team together.

This year's team had a very large turn out at the beginning of the year, but it soon diminished. The boy's team finished 3rd at district. Mike Windred finished all district and went on to the state tournament.

The girls did not have a complete team.

This year the officers for key club were Hillary VanAusten, who was president, and Lori Ashcroft, who was both secretary and treasurer. Key club certainly followed there motto of "youth serving youth." This year they sponsored a little Korean boy named Kim Hyun Jung, who needed help to pay for food and school. The club, along with other volunteers from the high school, also took handicapped children swimming twice every week.

Student Council

The student council officers this year were President Cindy Taylor, Vice President Pete Johnson, Second Vice President Ben Voyles, Treasurer Kathy Marshall and Secretary Cindy Fallon.

This year the student council got a lot accomplished; some of their major projects were re-writing the student constitution, regulating the parking lots and some school improvement projects. The members of the student council were Steve Bielenberg, Diana Buboltz, Shawna Callahan, Steve Campbell, Jennifer Chandos, Shelly Church, Eddie Edelbrock, Jayme Freund, Kevin Fry, Kent Grubaugh, Sheryl Hubert, Jennie Koonce, Coleen Larrett, Molly Lindberg, Dan Murphy, Greig Olson, Aaron Smith, Andrea Strauss, Katy Trunt, and Traci Vavich.

Basketball

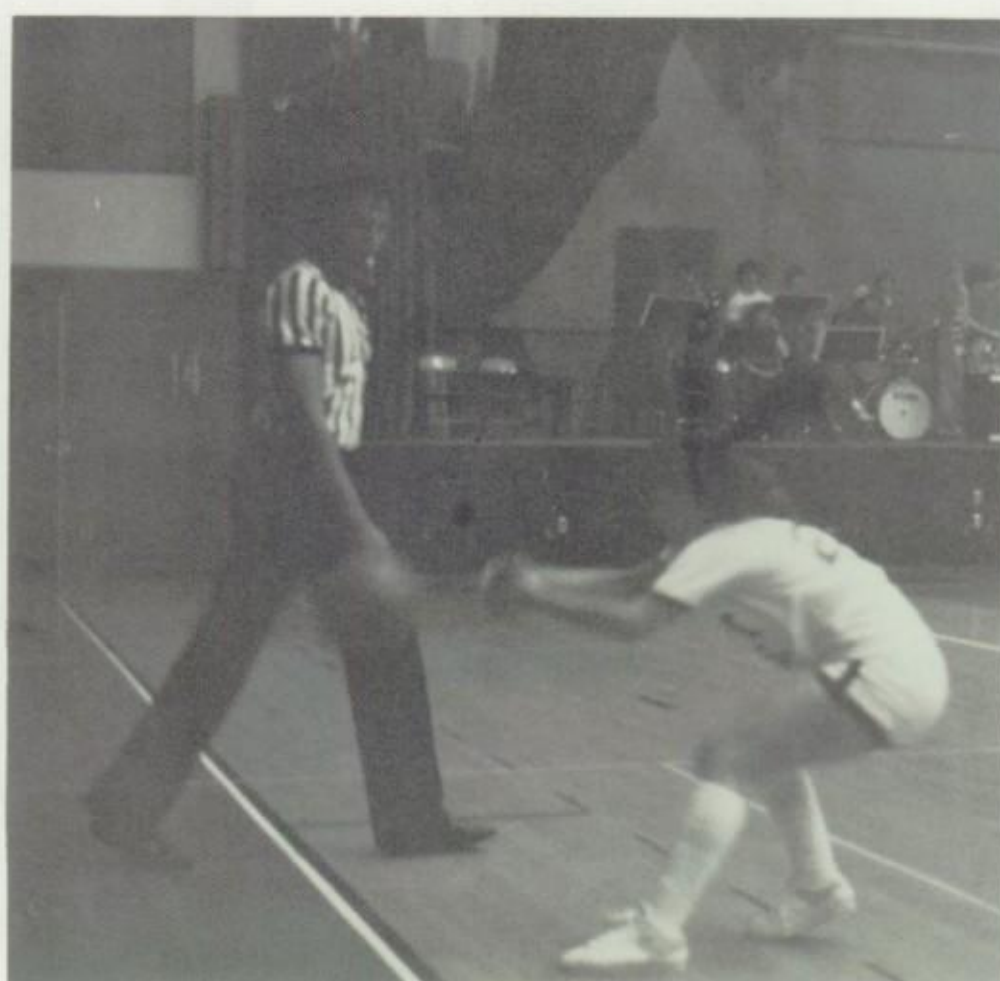

This year's team finished second in the Valco League, which put them in the state playoffs.

The team was a young team, consisting of five returning members.

With such a young team it should produce a very good team for the next few years.

This year's Most Improved: Denise Tessicini
Most Inspirational: Cindy Fallon
Most Valuable: Joelle Quesinberry.

Boy's J.V.

"The season was a series of peaks and valleys. The team was short on victories but long on hussle and desire. The nicest group of young men to work with," says Coach Geurtner. With these few words he sums the year pretty well. Although the wins weren't many, they'll be long remembered.

J.V. Girls Basketball

Lack of experience and an almost all freshman team resulted in a slow start. By the end of the year, the girls were able to play with any team in our conference. There was a great deal of improvement, both individual and team, from the beginning of the year to the end.

stars

The track team this year enjoyed a very competitive season. With three people going to state, the outlook for next year is extremely bright, especially with the new football and track field. The three people who went to state were Joelle Quisenberry, Therese Krieger, and Mike Windred.

Construction

This year's construction class was by far the most productive Taft has had in years. They started the year off by adding onto our own shop room, and they also remodeled the announcer's booth at Kirtsis Field. The big success of the year, however, was the sheds. Mr. Carpenter and students were even building them for the public. They finished the year out by continuing to build these sheds. They all did an excellent job. *steps 1 through 12, the constructing of the sheds*

The girl's golf team started the season off with more players than they ended with. By the end of the year, there were only 3 players left on the team; Hillary Van Austin, Dolores Ray, Stacy Jones. The team was coached by Mr. Olsen. The team made it to District Tournament in the latter part of the season. The tournament was played at Agate Beach Golf Course outside of Newport.

4

Golf

This year's varsity golf team took the Valco league championship. Again! Better yet, they also took fifth in state. David Church, Larry Ropp, Tony Oliverio, & Rick Hatton took first team all league, while Chris Gesik took second team. Shawn Richards' injury kept him from going. Overall, it was an awesome year.

J.V. Baseball

This year's J.V. Boys team of thirteen was relatively large. The hours they put in were long, but the good times they had and the friendships they made will endure longer. Team sports require more than athletic ability; they require a skill for working with others as a team. For this a strong leader is needed; Coach Baker filled this position expertly and provided the needed guidance and instruction. Next year's varsity will be that much stronger for it.

Softball

This year's softball team finished second in the league, with an 11-9 record. The most improved player was Chris Kiefer, the most inspirational was Katy Trunt, the most valuable was Kary Trunt.

All in all it was a very good season for the first season to ever have the sport at Taft. The team should be very strong with all but one of the team members returning.

This years Music department worked to go to California & become stars. They had a pizza feed at Nemos and Galluccis. They made \$800.00 in ten hours! At the Block of Bucks they made \$2,753! They also sold vegetable and garden seeds that totaled over \$1,200! All in all, it was a very successful year.

This year's trip to California was the star attraction of all the music department's work. They raised all the money themselves with a pizza feed, block of buck\$, vegetable and flower seed selling; they even won \$5,000 in the Libby's Jingle Contest!

While on tour, they stayed with four high schools, at which concerts were given; not an ordinary concert, but an imitation of The Johnny Carson Show. They also had a concert at Disneyland, went to Sea World, The Hearst Castle, crossed the Golden Gate Bridge, and went to CBS studios and saw a game show ... Whew, what an exciting trip.

Senior Fish Fry

The seniors of 1980 were the hosts of the very best Fish Fry Depoe Bay has ever seen. Each person served in a way that fit them best, and had a lot of fun doing it. There were only four plates, a window and a wall clock broken. And with the Spouting Horn's new upstairs, we were able to serve more people than in the past years. The proceeds will go towards the Senior Skip Day, (and hopefully over night).

Class of 1980

*"This is,
it"*

Graduation ceremonies were held Friday May 30th at 8:00 p.m. It was opened by the Taft High School Concert band playing Prelude and Processional.

The Invocation was given by Pastor Steve Snyder from the Oceanlake Christian Church.

Mike Windred was Valedictorian and Ron Tucker was the Salutatorian.

The class of 1980 had a special slide presentation entitled "This Is It". After the slide presentation the students were given their diplomas by Charles Barclay and presented by Dr. Eugene Voris. John Baird was the reader and the Benediction was given by Pastor Archie Brooks from the Assembly of God Church.

I would also like to remind any unfortunate soul that if they value their ability to breathe then they should keep their hands off one certain lady! To Bill Sonntag and Todd Bailey I leave all my athletic ability so that they realize that no matter what they think, there will always be someone better. I would also like to leave, as a token of the senior athlete's appreciation, a gallon of white paint for each of them to use in case of excessive tanning of the nose.

To Stuart Arnold I will good times throughout his high school years, but at the rate he is going I don't know if he will need them. To my sister Chris I will my driving abilities—as in car. She already

drives enough people crazy. To Sue I will my car keys and teacher's parking space. To Mrs. Tepper I leave great thanks for all she has done for me. To next year's senior class I will the ability to organize next year's unofficial senior skip day (If you know what's good for you, you won't.) To Chris and Sue I will a mellow senior year with lots of good times. To my senior class I leave thanks for all the good times I've had throughout my high school years and the best of luck in their future. Kenny,
You are a good friend
whom I have told some things
I never told anyone else. Thanks
for listening and always being there.
This year, Stage Band is great!

Love,
Julia
